

WILLS PARK YOUTH BASEBALL

Spring 2008

You can register for the spring 2008 season by registering online by going to our website www.wpyba.org and then to the registration page/link. Online registration is the quickest & most efficient way to register your child in our program.

Wills Park Youth Baseball Association utilizes City of Alpharetta property and facilities. In accordance with City of Alpharetta law, a surcharge above the regular registration fee applies to all non-resident participants in our program. This surcharge is 75% of the normal registration fee and is applied in addition to the registration fee.

City of Alpharetta Resident: A city resident is defined as any person living within the city limits of Alpharetta & paying City of Alpharetta Property Taxes. A mailing address should not be considered in determining residency since many areas of Fulton County & some areas of Cherokee & Forsyth Counties use the Alpharetta Post Office. To verify residency status, call 678-297-6100 or go to the following link on the city's website: <http://www.alpharetta.ga.us/streetcityweb/>.

Non-City Resident Registration Surcharge: Alpharetta Recreation & Parks Department (ARCD) charges surcharge for non-city residents participating in programs conducted on facilities under the ARCD's control. For registration purposes, the definition of a "resident" is a person whose legal domicile is located within the city limit boundaries of the City of Alpharetta & pays property taxes to the City of Alpharetta. Non-resident applies to all others (City of Roswell, Sandy Springs, Atlanta, Milton, John's Creek, and other municipalities in Fulton County are subject to non-resident fees).

WPYBA information

WPYBA uses your email address to confirm participation in the program and to communicate key dates for evaluations and the 2008 spring season. Please provide us with an accurate email address that you check on a regular basis so that we may keep you informed. Please also visit our website at www.wpyba.org for all updates regarding the spring 2008 season. We will be updating the site regularly once we get closer to the start of the season.

Parents with an interest to manage or help coach a spring 2008 recreation team should download an application and background consent form from www.wpyba.org, complete both forms and email to Lusby@wpyba.org.
